STATEMENT OF PHILOSOPHY

United Truck Driving School strives to educate and train students to become professional caliber commercial drivers prepared for employment in the transportation industry. This is accomplished through classroom training using written materials, mixed media, visual aids, and a lecture format. Training includes practical experience driving, maneuvering, inspecting and proper use of the commercial vehicle equipment.

MISSION STATEMENT 71810(b)(2)

Our mission is to.....

Train *Individuals* to become *Quality Drivers* in the *Transportation Industry*

HOURS OF OPERATION

Office hours: 9:00 a.m. to 5:00 p.m. Monday through Friday.

Instructional Hours: Vary depending on course. Hourly breaks are provided, lunch break is 30 minutes. Driving instruction may be held day or evening as necessary to accommodate the requirements of the program and the times are subject to change.

APPROVAL DISCLOSURE STATEMENT (94909(a)(2)

United Truck Driving School is a private institution approved to operate by the Bureau for Private Postsecondary Education of the State of California. The approval means the institution and its operation comply with the minimum standards established under the law for occupational instruction by private educational institutions, approval does not imply any endorsement or recommendation by the state. All locations are accredited by Council on Occupational Education.

GENERAL INFORMATION:

Instruction is at our facilities (addresses listed on top of Table of Contents) with facilities in San Diego and Riverside. Instruction is conducted in English. If the high school diploma or GED were not earned in English, the student will be required to pass the Ability to Benefit test in English. No English language services are provided. We issue diplomas to successful graduates. To be eligible to receive a commercial driver's license you must be a California resident and pass the required testing by the State of California Department of Motor Vehicles. This includes written, pre-trip, skills and driving tests. Prospective students are encouraged to visit the physical facilities of the school and to discuss personal educational and occupational plans with school personnel prior to enrolling or signing enrollment agreement. Once students have successfully passed the commercial license test they will be prepared to take a job as a commercial driver or in many entry level commercial driving industry jobs.

Housing: The school does not have dormitory facilities under its control. Average price for a home in the surrounding area is \$470,000 and the average rent for a one bedroom apartment in the surrounding area is \$1550 per month. The institution has no responsibility to find or assist a student in finding housing.

Loans or Subsidies: The school currently has available some sponsored programs to provide funds in the form of loans or subsidies to pay for all or portions of tuition and fees. 71810(b)(13)(B), 71810(b)(13)(C)

ADMINISTRATION

Ownership: United Truck & Car Driving School, Inc.

PRESIDENT OF CORPORATION Cheryl Hanley

DIRECTOR OF OPERATION Bonnie Trown

HISTORY

United Truck Driving School has been training commercial drivers since 1978. We have been retraining professional drivers employed for local delivery work and those driving other company vehicles. United Truck & Car Driving School, Inc owns the school. We have expanded our training to include all classes and combinations of vehicles. In 1997 the San Diego campus was re-located. Training locations were expanded to include Riverside. In 2003, the Accrediting Commission of Career Schools and Colleges accredited the San Diego campus. In 2010 accreditation by Council on Occupational Education accredited both locations.

TRUCK DRIVING SCHOOL

FACULTY

The teaching faculty members hold a Commercial Drivers License and have multiple combined years of truck driving experience. Their experience and training techniques enable our students to learn and demonstrate the skills for licensure. 94909(a)(7)

YARD SUPERVISORS AND INSTRUCTORS:

Jorge Medina, (15 years commercial driving experience) Edwin Marroquín, (10 years commercial driving experience) Wayne Ewing, (16 years commercial driving experience) Damon Mortimer, (3 years commercial driving experience) Eric Rohr, 3 years commercial driving experience) Amber Simmons, (3 Years commercial driving experience) Tim Light, 3 years commercial driving experience) Joe Geesner (3 years commercial driving experience)

Definition of Clock Hours: A clock hour is defined as 50 minutes of instruction per each 60-minute hour.

Time Frame: Full time students will be scheduled 40 hours a week.

FACILITIES AND EQUIPMENT

San Diego is a main campus and the corporate offices. The facility includes two classrooms, admissions office, and administrative offices. There is ample parking. The equipment yard is located a few miles from the classroom and provides room for training and parking.

Riverside is a branch location and includes two classrooms and an admissions office. There is ample parking available. The equipment yard is located a few miles from the classroom and provides room for training and parking.

Truck and trailers include Freightliner Conventional Tractors and dry vans with both fixed and sliding tandems.

The school also operates buses for passenger endorsement training.

The school maintains a library area in each location. The library has resources available for the students to review that are related to the transportation industry open to students during normal operating hours. 71810(b)(10), 94909(a)(4)

STUDENT SERVICES 71810(b)(12)

United Truck Driving School provides placement services to students and graduates with access to a vast employment sector with serious shortages of qualified applicants. Income and benefit levels are excellent and provide stable career opportunities for the successful graduate.

Placement:

Placement activities on behalf of students include maintenance of current employer lists and contact information. The placement department arranges referrals to prospective employers and on site presentations by OTR companies. Placement assistance is offered to graduates. The placement department at the school processes student applications when possible to over-the-road carriers. Office staff upon receiving permission from students supplies information requested by potential employers. 94909(a)(13)

Records Retention:

Enrollees are advised and cautioned that state law requires this educational institution to maintain school and student records for only a five-year (5) period. Transcripts are kept permanently

Academic Advising:

The School Director is available to provide students with academic advising services. Students are permitted to change programs during their enrollment at the school with the Director's approval. The Director reviews student progress weekly and will advise students at risk of academic probation. Students needing information or assistance with counseling, transportation, child care, or other personal issues that impact their academic performance will be referred to the school director as a first response and referral as necessary to the network of county Workforce Career Centers and other state, county and city agencies. These agencies include the County of San Diego Health & Human Services Department, the Riverside County Department of Public Health.

UNITED TRUCK DRIVING SCHOOL

Tuition Assistance Programs:

The Admissions Representative is available to advise students on tuition assistance programs available. Several companies offer private tuition financing. Students can receive advisory services regarding several avenues for paying their tuition. County and State tuition assistance programs are available for the unemployed and candidates meeting certain qualifications. Our admissions staff can assist an eligible student with the appropriate agencies.

The school does not participate in federal and state Title IV financial aid programs. 94909(a)(10)

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program. 94909(a)(11)

Student Records and Support:

Office staff will maintain student records for use in placement and verification for five (5) years. Request for records can be processed by fax, providing the student has given the school permission to distribute such information. Hard copy records retained include dates of attendance, grades received, and diploma date for a period of five (5) years. A data base including transcripts for each student is maintained permanently. 71810(b)(15)

United Truck Driving School has not entered in to an articulation agreement with any other college or university. United Truck Driving School does not except any prior experiential learning.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS EARNED AT OUR INSTITUTION

The transferability of credits you earn at United Truck Driving School is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the diploma that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending United Truck Driving School to determine if your diploma will transfer. 94909 (a)(15)

ATTENDANCE, PROBATION & DISMISSAL POLICIES

Absence will be considered excused under the following circumstances: illness, death, or birth in the immediate family, and other valid reasons substantiated in writing and at the discretion of the director. Other absences will be unexcused. (94909)(8)(D)

Tardiness is a disruption of a good learning environment and is discouraged. Tardiness will be considered unexcused absence.

Make-up work may be required for any absence. However, hours of make-up work cannot be accepted as hours of classroom attendance. The student must arrange make-up work with the individual instructor or the school director.

Leave of Absence will be considered and may be granted to students at the discretion of the school director. Leave not to exceed 180 days and student signature will be required. If student fails to return school's refund policy applies. (94909)(8)(E)

Absences and tardiness will be recorded. Students are expected to attend classes as scheduled as they would be expected to be present for work.

Probation - Students failing to maintain satisfactory attendance may be placed in probationary status in an attempt to warn the student of possible dismissal if attendance and/or school performance is not brought up to the appropriate standard. (94909)(8)(C)

Dismissal - Students failing to maintain satisfactory attendance will be advised by the director. If attendance fails to improve, the director may dismiss a student for unsatisfactory attendance. Re-admittance may be permitted if the cause for unsatisfactory attendance has been corrected.. (94909)(8)(C)

Satisfactory Progress Policy - Each student must maintain a minimum cumulative grade point average (GPA) of 1.0 at the end of the first week (25% of the program) of instruction; a 1.5 GPA at the end of the second week (midpoint of the program) of instruction; 2.0 GPA by the end of the third week of instruction (75% of the program); and a cumulative 2.0 GPA upon graduation. (Assuming the traditional 4.0 scale.)

Student progress will be reported at the end of the first 10-day [two week] interval. If the student falls below the above stated grade point average, the student may be placed on formal probation. The student will be given lesson plans to bring their grade up to a minimum cumulative grade point average, this must be accomplished within 5 days. Any student that fails to bring their GPA up within the above mentioned time frame would be dismissed from school. The student may be reinstated into the school providing that they bring their GPA up to minimum standards. This should be accomplished within the maximum time frame allowed to complete the training which is one and a half times the length of the course.

Statement: The institution does not have any pending petition in bankruptcy, and is not operating as a debtor in possession and has not filed for reorganization under Chapter 11 of the United States Bankruptcy Code. (11 U.S.C. Sec. 1101 et seq.) in the preceding five year. 94909(a)(12)

STUDENT TUITION RECOVERY FUND 94909(a)(14), 76215

“You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans and
2. Your total charges are not paid by any third party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party such as an employer, government program or other payer, and you have no separate agreement to repay the third party.”

“The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education. You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

14

1. The school closed before the course of instruction was completed.
2. The school’s failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school’s failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.”

STUDENTS RIGHT TO CANCEL AND REFUND RIGHTS

1. Refund Policy: After the cancellation period, the institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Cancellation period: Through the first day of class or seven days after enrollment whichever is later.. Cancellation occurs when you give written notice of cancellation at School address shown on the first page of this agreement. You can do this by mail, in person, or by FAX addressed to the school official listed on the first page of this agreement. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form, it needs only to state you wish to cancel the agreement. If you cancel this agreement, School will refund any money that you paid within 45 days after your notice is received.
2. The School has given you books and once you receive them they are yours to keep. They are not refundable.
3. You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1., School will remit a refund less a registration fee not to exceed \$250, non-institutional fees of \$315, Book fee of \$74 and any STRF fee within 45 days following your withdrawal. You are obligated to pay only for educational services rendered. The refund shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number or hours of instruction you have not received but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment, as specified on the first page of this agreement, and return it in good condition within 45 days following the date of your withdrawal, School shall refund the amount paid by you for equipment. If you fail to return equipment in good condition, within 45 days, School may retain the documented cost of the listed materials. You are liable for the amount, if any, by which the materials exceeds the refund amount. If the amount you have paid is more than the amount that you owe, then a refund will be made within 45 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it.

REVISION OF PROGRAMS AND TUITION

The School reserves the right to change or modify, without notification, the program content, equipment, staff, or materials and organization as necessary, with approval of the Bureau for Private Postsecondary Education, if required. Such changes may be required to keep pace with technological advances and to improve teaching methods. In no event will any changes diminish the competency of any program or result in tuition changes for current attending students.
