### **STUDENT'S RIGHT TO CANCEL**

- 1. Cancellation and Refund Policy: You have the right to cancel your enrollment agreement and obtain a refund of charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Cancellation period is through the first day of class or seven days after enrollment, whichever is later. Cancellation occurs when you give written notice of cancellation. You can do this by mail, in person, by email or fax. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form, it needs only to state you wish to cancel the agreement. If you cancel the agreement, the school will issue refunds within 45 days after your notice is received.**
- 2. Books are refundable in the seven day cancellation period as long as they are returned in good condition.**
- 3. You have the right to withdraw from School at any time. If notice of cancellation is given during the cancellation period (cancellation period is through attendance at the first-class session or the seventh day after enrollment, whichever is later), School will remit a refund of 100% of the amount paid for institutional charges, registration fee, non-institutional fees of \$231 (medical exam, drug test and DMV permit fees) and any STRF fee, within 45 days following your withdrawal. After the cancellation period, the institution provides a pro rata refund of all funds paid for tuition charges to students who have completed 60 percent or less of the program. If you are entitled to a refund, you are obligated to pay only for educational services rendered. The refund shall be the amount you paid for tuition minus the hours of instruction you have not received but for which you have paid. If the amount you have paid is more than the amount that you owe, then a refund will be made within 45 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student. Refunds, when due, are made without requiring a request from the student. No tuition or fees will be retained for a student who does not commence class.**
