4. Tuition includes 3 test attempts at the CA DMV for a Class A or B license. After 3 failures at the DMV, the CDL permit is no longer valid and training is considered complete. For additional training and testing, a student must speak to an Admissions Representative regarding costs and schedules.

United will contact the student with a new test date. **It is the student's responsibility to confirm the appointment within 24 hours to remain eligible for retesting.** If at any point the student does not respond to United's communications in regards to training or testing the student's training will be considered complete and no further tests or training will be given.

STUDENTS RIGHT TO CANCEL AND REFUND RIGHTS

1. **Refund Policy:** You have the right to cancel your enrollment agreement and obtain a refund. Cancellation period is through the first day of class or seven days after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Cancellation occurs when you give written notice of cancellation at the school address shown on Page 2 of this catalog. You can do this by mail, in person, by email or fax. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form, it needs only to state you wish to cancel the agreement. If you cancel the agreement, the school will issue refunds within 45 days after your notice is received.

2. Books are refundable in the seven-day cancellation period as long as they are returned in good condition.

3. You have the right to withdraw from your program at any time. If notice of cancellation is given during the cancellation period (cancellation period is through attendance at the first-class session or the seventh day after enrollment, whichever is later), School will remit a refund of 100% of the amount paid for institutional charges, registration fee, non-institutional fees (medical exam, drug test and DMV permit fees) and any STRF fee, within 45 days following your withdrawal.

After the cancellation period, the institution provides a pro rata refund of all funds paid for tuition charges to students who have completed 60 percent or less of the program. If you are entitled to a refund, you are obligated to pay only for educational services rendered. The refund shall be the amount you paid for tuition minus the hours of instruction you have not received but for which you have paid. If the amount you have paid is more than the amount that you owe, then a refund will be made within 45 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student.

Refunds, when due, are made without requiring a request from the student. No tuition or fees will be retained for a student who does not commence class. Students whose entire tuition and fees are paid by a third-party organization are not directly entitled to a refund for the tuition and fees.

HYPOTHETICAL REFUND EXAMPLE:

Assume you, upon enrollment in a 160-hour course, pay \$4,804.50 for tuition, \$250 for non-refundable registration, and \$233 for non-institutional fees, \$160 for non-refundable books, plus \$2.50 STRF Fee and withdraw after completing 40 hours (25%).

$\$4,804.50 + \$250 + \$233 + \$160 + \$2.50 = \$5,450$ amount paid, \$645.50 is non-refundable

$\$4,804.50$ tuition / 160 hours = \$30.03/hour or \$240.24 per 8-hour day

$\$30.03 \times 120$ hours of instruction = \$3,603.60

\$3,603.60 tuition refunded to you

STUDENT TUITION RECOVERY FUND 94909(a)(14), 76215

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.

2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collecting may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.
