### STUDENT'S RIGHT TO CANCEL

1. **Refund Policy:** You have the right to cancel your enrollment agreement and obtain a refund. Cancellation period is through the first day of class or seven days after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Cancellation occurs when you give written notice of cancellation at the school address shown on Page 2 of this catalog. You can do this by mail, in person, by email or fax. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form, it needs only to state you wish to cancel the agreement. If you cancel the agreement, the school will issue refunds within 45 days after your notice is received.

2. You have the right to withdraw from your program at any time. If notice of cancellation is given during the cancellation period (cancellation period is through attendance at the first-class session or the seventh day after enrollment, whichever is later), School will remit a refund of 100% of the amount paid for institutional charges, less a registration fee not to exceed \$250, non-institutional fees of \$235 (medical exam, drug test and DMV permit fees) and any STRF fee, within 45 days following your withdrawal.

After the cancellation period, the institution provides a pro rata refund of all funds paid for tuition charges to students who have completed 60 percent or less of the program. If you are entitled to a refund, you are obligated to pay only for educational services rendered. The refund shall be the amount you paid for tuition minus the hours of instruction you have not received but for which you have paid. If the amount you have paid is more than the amount that you owe, then a refund will be made within 45 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student.

Refunds, when due, are made without requiring a request from the student. No tuition or fees will be retained for a student who does not commence class. Students whose entire tuition and fees are paid by a third-party organization are not directly entitled to a refund for the tuition and fees.

### STUDENT'S RIGHT TO CANCEL

1. **Refund Policy:** You have the right to cancel your enrollment agreement and obtain a refund. Cancellation period is through the first day of class or seven days after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Cancellation occurs when you give written notice of cancellation at the school address shown on Page 2 of this catalog. You can do this by mail, in person, by email or fax. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form, it needs only to state you wish to cancel the agreement. If you cancel the agreement, the school will issue refunds within 45 days after your notice is received.

2. You have the right to withdraw from your program at any time. If notice of cancellation is given during the cancellation period (cancellation period is through attendance at the first-class session or the seventh day after enrollment, whichever is later), School will remit a refund of 100% of the amount paid for institutional charges, less a registration fee not to exceed \$250, non-institutional fees of \$235 (medical exam, drug test and DMV permit fees) and any STRF fee, within 45 days following your withdrawal.

After the cancellation period, the institution provides a pro rata refund of all funds paid for tuition charges to students who have completed 60 percent or less of the program. If you are entitled to a refund, you are obligated to pay only for educational services rendered. The refund shall be the amount you paid for tuition minus the hours of instruction you have not received but for which you have paid. If the amount you have paid is more than the amount that you owe, then a refund will be made within 45 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student.

Refunds, when due, are made without requiring a request from the student. No tuition or fees will be retained for a student who does not commence class. Students whose entire tuition and fees are paid by a third-party organization are not directly entitled to a refund for the tuition and fees.

### Definitions, cont.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### STUDENT'S RIGHT TO CANCEL

1. **Refund Policy:** You have the right to cancel your enrollment agreement and obtain a refund. Cancellation period is through the first day of class or seven days after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Cancellation occurs when you give written notice of cancellation at the school address shown on Page 2 of this catalog. You can do this by mail, in person, by email or fax. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form, it needs only to state you wish to cancel the agreement. If you cancel the agreement, the school will issue refunds within 45 days after your notice is received.

2. You have the right to withdraw from your program at any time. If notice of cancellation is given during the cancellation period (cancellation period is through attendance at the first-class session or the seventh day after enrollment, whichever is later), School will remit a refund of 100% of the amount paid for institutional charges, less a registration fee not to exceed \$250, non-institutional fees of \$235 (medical exam, drug test and DMV permit fees) and any STRF fee, within 45 days following your withdrawal.

After the cancellation period, the institution provides a pro rata refund of all funds paid for tuition charges to students who have completed 60 percent or less of the program. If you are entitled to a refund, you are obligated to pay only for educational services rendered. The refund shall be the amount you paid for tuition minus the hours of instruction you have not received but for which you have paid. If the amount you have paid is more than the amount that you owe, then a refund will be made within 45 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student.

Refunds, when due, are made without requiring a request from the student. No tuition or fees will be retained for a student who does not commence class. Students whose entire tuition and fees are paid by a third-party organization are not directly entitled to a refund for the tuition and fees.
